Dear 5.1.2.e Woo

I hope this message finds you well. Thank you for your latest update on the status of our Woo request registered under JZOPENBAAR 2023-12.

I understand that you mentioned needing a few more weeks to provide a response in your latest correspondence, at the end of November. I would be grateful if you could offer further clarification on the specific timeframe implied by "a few more weeks." This information would be very helpful in allowing us to better manage our expectations.

Thank you in advance for your assistance.

Dear 5.1.2.e Woo

I am writing to ask if you could give us an update on the status of the Woo request registered under JZOPENBAAR 2023-12.

I initially reached out to you on September 15th with the same inquiry, and at that time, you were not able to answer, as you were in the process of determining which documents fall under the scope of our request. I understand that this is a time consuming process but I was hoping that you would now be able to provide us with an estimated timeframe for a response.

Thank you in advance for any information you can provide.

Best regards,

Dear 5.1.2.e Woo

Thank you for your email. The request has our full attention. We are currently in the process of determining which documents fall under the scope of the request. This is a time consuming undertaking as there are several old dossiers involved. Furthermore we will need to consult several third parties for their opinion on the disclosure of the documents. I will come back to you as soon as I can give you a more detailed timeframe.

Please let me know if you have any more questions.
