Comments to the document can be provided through this [LINK](#) **from today until Friday 3rd April 2020** and will be topic for discussion during the online workshop scheduled on Monday 20th April.

When commenting, kindly avoid input on editorial aspects and focus on providing constructive comments that will be useful to the work of the Working Group.

We look forward to receiving your contribution and thank you once again for your input to EFSA's work.

Best regards,
on behalf of 5.1.2.e Woo
