Dear 5.1.2e Woo

Please find enclosed the draft document for the governance structure of the glyphosate consortium.

As agreed last week in Brussels I have sent this document to 5.1.2 a Woo for input on this draft.

I think it is necessary to send the document to the whole group before Christmas break, meaning in a few days, as we also discussed on the phone last week.

If it is possible for you to give your comments by Thursday end of the afternoon at the latest, I'll take that into account and finish the document on Friday morning.

If that's not possible for you, no problem, but then you have the document already and you can give input at the same time as the rest of the group (of course you will receive an amended version after input from 5.1.2 a Woo on Friday).

Kind regards, 5.1.2e Woo
