Ämne: revised draft Regulation and date/time for meeting on rapporteurship glyphosate

Dear colleagues,

Following on from last week's tele-conference, let me first thank you for having accepted to be the contact points for further discussion on this.

As agreed, please ensure the coordination with others in your national administrations as appropriate.

Enclosed please find a revised draft amendment of Regulation 844/2012 that takes account of the comments/proposals from 5.1.2.a Woo and 5.1.2.b Woo before and during the tele-conference.

There is, in particular no more mentioning of a 'designated Member State' for contacts with the applicants and the wording leaves all options open on how to set up the organisational structures among the Member States.

5.1.2.a Woo

I would, therefore, propose to have the meeting during the lunch break of the first day of the SCoPAFF, i.e. on 12 December at 12.30 h.

We have reserved a small room in the Borschette Conference Centre and, provided we get the necessary authorisation from our hierarchy (which should be possible), we will offer a sandwich lunch and coffee/tea so that you do not need to go hungry for the rest of the day.

I hope that is acceptable to everybody.

As requested by 5.1.2.a Woo we have contacted EFSA to reflect on a possible role in this joint endeavour, and EFSA will also be present at the meeting.

Regards,

5.1.2.e Woo
