Dear 5.1.2.e Woo,

Thanks for you amendments. I have prepared a new version, based on your amendments, amendments made by 5.1.2.a Woo and the discussion in Brussels.

I'll send it in a moment.

And I completely agree that it needs another commenting round. I will propose a few days for commenting, so that I can send the really final version before the 14th of Febr.

Kind regards, 5.1.2.e Woo

Dear 5.1.2.e Woo,

It was really nice meeting you in person and I think we had a good meeting.

Please find attached my proposals for amendments. These have been made in the final version that you sent, so the comments from 5.1.2.a Woo is not included.

I think we need to allow for another commenting round of the version you will prepare.

Kind regards,

5.1.2.e Woo
