**Onderwerp:** Confirmation of membership of the AGG

Dear [5.1.2.e Woo](#), dear members of the AGG,

The Commission invited member states to act as the RMS or co-RMS for glyphosate. Due to the resources needed, a single member state as RMS seemed not realistic. Therefore the Commission suggested that several member states could, as a group, jointly take the responsibility for the assessment of the dossier.

In light of the agreed governance of this group, the AGG, the clear structure with a steering committee, secretariat and joint project leaders, which was discussed in recent months and decided upon, the Ctgb trusts that this structure with these four competent authorities will be able to fulfil this task within the timelines.

I am happy to confirm that the Ctgb is willing to commit itself as a member of that group as it is now formed by ANSES, Nébih, KEMI and Ctgb and will take on all relevant responsibilities.

With best regards,

Luuk van Duijn
