Onderwerp: AGG - starting up the process

Dear 5.1.2.e Woo, 5.1.2.e Woo and 5.1.2.e Woo,

As you have seen, we have received the letter from the glyphosate task force.

Time to really start up the process!

I have spoken with 5.1.2.e Woo last week and the proposal to you is that 5.1.2.e Woo starts being chair of the steering committee of the AGG.

For your information: 5.1.2.e Woo will be the representative in the steering committee on behalf of the Ctgb.

The project manager at Ctgb is contacting the glyphosate task force to inform them that we are starting up the procedure and will plan a PSM. We will also plan a teleconference with the steering committee as soon as possible. You will hear more details via 5.1.2.e Woo.

This week 5.1.2.e Woo and 5.1.2.e Woo are meeting a possible external spokesperson in Brussels. Since they are there anyway, they will also have a short meeting with 5.1.2.e Woo for some practical and procedural issues. 5.1.2.e Woo can update you in the TC.

And in case you might go to the ECPA meeting in Ghent next week: 5.1.2.e Woo and 5.1.2.e Woo will be there, so that might give a possibility to meet each other face-to-face.

Kind regards and again, thank you for the pleasant collaboration!
