Dear 5.1.2.e Woo

I am sorry we took more time than expected. Our new colleague 5.1.2.e Woo answered your question. Please let me know if you need more information.

We saw that in the Bundestag there was a discussion in December on the legal status of a general prohibition. In the Netherlands there is already a lawsuit pending against the State. You will find more information in the annex.

Please, could you keep me informed about new legal or political developments in Germany? Luuk van Duijn is very interested.

Kind regards

5.1.2.e Woo

Dear [redacted] 5.1.2.e Woo

I would like to begin this E-Mail by wishing you, [redacted] 5.1.2.e Woo all the very best for the year 2018.

I would like to use our legal network to ask a question concerning glyphosate:

- Did the ctgb withdraw authorisations for amateur uses concerning PPPs containing glyphosate?

If this is the case:

- How did the ctgb justify the withdrawal?

- Did the authorisation holders enter an objection or lodge a legal lawsuit against this decision?

Thank you very much for your help in advance [redacted] 5.1.2.e Woo !

Have a nice week!

Kind regards
