Subject: SV: information for meeting on rapporteurship glyphosate

Dear 5.1.2.e Woo and All,

Thank you for the discussion points for tomorrow's meeting. Unfortunately I will not be able to attend the meeting in person but will be replaced by 5.1.2.e Woo and 5.1.2.e Woo from the Swedish Chemicals Agency and hopefully will be able to join on the phone. Therefore, please include 5.1.2.e Woo @kemi.se in any future correspondence.

In case there will be enough time to discuss how the work with the RAR will be shared among the RMS, provided that the Swedish Chemicals Agency decide to be one of the RMS for glyphosate, our first preliminary thoughts are that we could consider to take the responsibility for the following parts of the RAR:

5.2.1.h Woo

Kind regards,
