> Onderwerp: Information about the substances Imidacloprid, Fipronil,
> Clothianidin and Thiametoxan

>

> Dear authority:

>

> 1. The Brazilian Institute of Environment and Renewable Resources ?

> IBAMA - is making a contact with you in order to get some

> information about the registration status of the following pesticides:

> Imidacloprid, Fipronil, Clothianidin and Thiametoxan.

>

> 2. We are trying to obtain it directly from the authorities instead

> on the internet, once we need the most updated information as

> possible.

> Buiten reikwijdte verzoek

>

>

>

>

> 3. The concern relating to these pesticides and bees are becoming a

> big issue in our country that we need to address. Based on the

> knowledge obtained up to now, our intention is to adopt restriction

> measures until we have more data to a final decision making.

>

> 4. We are preparing a set of documents and in order to update our

> data could you please provide us with the following information

> about these

> 4 active ingredients:

> a. What is the registration status of products containing these

> substances in your country?

> b. Is there any use restriction? If so, could you please detail it?

> c. Is the aerial application method authorized in your products labels?

> If so, could you please list the crops in which this method is

> authorized with respect to these four substances?

>

> 5. We do appreciate your collaboration.

>

> Sincerely,

>
