Subject: dRAR glyphosate

To the national competent authorities on plant protection products in the EU,

On behalf of the Assessment Group on Glyphosate, AGG, I would like to inform you on the following:

The draft Renewal Assessment Report on the renewal of glyphosate will be submitted to EFSA next Tuesday, June 15th. Simultaneously, the CLH-report on glyphosate will be sent to ECHA.

The AGG will publish a document on its website ([Assessment Group \(europa.eu\)](https://ec.europa.eu/food/plants/pesticides/approval-active-substances/renewal-approval/glyphosate/assessment-group_en); https://ec.europa.eu/food/plants/pesticides/approval-active-substances/renewal-approval/glyphosate/assessment-group_en) where the main conclusions of this draft are summarised and an explanation is given on the procedure.

Best regards,

5.1.2.e
Chair of the AGG
