## A.12 General issues for information / discussion

1. Scope of Regulation (EC) No 1107/2009:
  - a. New cases:

Member States are invited to send their comment to 5.1.2.e by 11 April 2024 about:

Buiten reikwijdte verzoek

- SILTAC and the arguments from the manufacturer challenging the current PAFF conclusion that the product is acting on the insect pests by suffocation, leading to the status of plant protection product. It is also requested to send suggestions as regards the way to provide the information regarding the change of status to any operator, providing for an agreed reasonable phase out/in period.

5.1.2.e

- b. Physical barriers: concerned entries in Scope Document and potential follow-up  
Member States are invited to send their comments to 5.1.2.e by 11 April 2024 about the list of entries concerned by the interpretation provided by the proposed decision scheme to distinguish products falling or not in the scope of the Regulation. Comments on the suggested way forward to inform the companies, call for interest for maintaining products via authorisation, deadlines to submit dossiers to regularise the situation as regards approval and authorisation.

Entries: Ctgb (5.1.2.e / NVWA)???

Way forward: LNV (in overleg met NVWA)

5.2.1
