Subject: RE: NL comments scope issues

Dear 5.1.2.e and colleagues,
Many thanks for your detailed feedback on the new version of the scope document.
I will consider them carefully and propose to endorse your suggestions at the next PAFF meeting.
With best regards

5.1.2.e

Subject: NL comments scope issues

Dear 5.1.2.e

Please find below our response with regard to the action point on scope issues:

Buiten reikwijdte verzoek

With regard to your specific question on Siltac, K-PAK and STYX, we indeed confirm that we consider these products to be PPP based on the fact that they are sprayed on plants to kill pests.

Please note we do not yet have a final position.

Best regards,
