5.1.1.c

4. Sharda signs completed order cards for the sample (Attachment No. 2) to conduct the studies. 5.1.1.c signs order cards as acceptance of the studies after Sharda sends completed Order Cards. Conjugates and metabolitse must be delivered by Sharda before writing a Study Plan that requires their use.
5. 5.1.1.c prepares draft Study Plan(s) after Order Cards are received and sends it to Sharda. Sharda accepts Study Plan(s).
6. The deadline for the Inter Laboratory Studies is 29 - 30 weeks from the moment of delivery of samples, reference ILV methods, Order Cards and Study Plan(s) acceptance.
This deadline may change due to Sharda's priority research changes.
7. The results will be prepared in the form of the Report.
8. If Sharda does not submit to 5.1.1.c any comments or objections to Study Plan within 21 working days from receiving the draft of Study Plan in such a way that 5.1.1.c can get acquainted with them within that period, the draft of Study Plan will be considered as accepted by Sharda. Sharda may accept the draft of Study Plan before this deadline by signing the draft of Study Plan and sending it back to 5.1.1.c
9. If Sharda does not submit to 5.1.1.c any comments or objections to Study Report within 21 working days from receiving the draft of Study Report in such a way that 5.1.1.c can get acquainted with them within that period, the draft of Study Report will be considered as accepted by Sharda. Sharda may accept the draft of Study Report before this deadline by signing the draft of Study Report and sending it back to 5.1.1.c
10. In case Sharda withdraws from the contract (despite the signed contract) in whole or in part (f.ex. P&C studies for selected formulation), it is obligated to inform 5.1.1.c immediately about the decision. 5.1.1.c reserves the right to issue an invoice for the return of incurred financial expenses.
11. 5.1.1.c is not responsible if the obtained study results, performed in accordance with the required methods, indicate that the product does not meet the registration requirements. After draft of Study
